

Docket No. 0104-4126US4

REMARKS

A section of the previously submitted amendment was indicated to be non-compliant because the new paragraph in the amendments to the specification was underlined and should not be underlined. Applicants submit this Corrected Section Of The Amendment in which the new paragraph in the amendments to the specification is not underlined. That new paragraph states the Applicants' claimed benefit of priority in this application.

The previously submitted amendment accompanied a Request For Continued Examination and an Information Disclosure Statement submitting References for the consideration of the United States Patent & Trademark Office. Applicants await consideration of those references by the USPTO. Also accompanying the previously submitted Amendment was a Petition Under 37 C.F.R. 1.78(a)(3) which the USPTO subsequently been granted.

Conclusion

The Applicants respectfully request that this Corrected Section Of The Amendment and the uncorrected portions of the previously submitted Amendment be entered. In the event that a telephone conference would facilitate examination in any way, the Examiner is invited to contact the undersigned representative at the number provided.
